b) Trevelmond Snooker Hall - to consider further information from the Snooker Club and decide if a donation should be given to this organisation. The Clerk reported that the additional information including clarification on membership numbers and annual subscriptions had not been received. She had spoken to a committee member who would confirm the cost for the renewal of the clubs' insurance and the conditions of the policy in relation to the building. The Parish Council had no objection to giving a donation to this organisation, but required more information about the club before an amount could be decided.

8. Planning Applications.

a) PA20/01520 Mr N Wainford, Buzzards Roost, St Keyne – Retention of Log Cabin to provide accommodation for a further 3 years in association with existing equine business.

The Parish Council object to this application.

The current block plan shows the log cabin in its actual location, previous block plan shows it adjacent to the shed. No business plan is included in the application.

The current use of the site appears to be for the breeding of horses to the pastime market and not the racing fraternity as first indicated.

The applicant is of advancing years and he is not the manager for the business although he has occupied the cabin exclusively since it has been built.

There was CCTV cameras in the stables. The manager should be able to view the images and monitor the stables remotely from an App on a mobile phone so therefore there is no requirement for anyone to be living on the site.
